

BOPP CLEAR BAGS

HIGH CLARITY BAGS TO SHOWCASE YOUR PRODUCTS
STOCK SIZES CUSTOM SIZES

60um FLAT HEAT-SEALABLE | 40um RE-SEALABLE | 60um GUSSETTED HEAT-SEALABLE

All of our clear stock bags provide a superior quality with high clarity to showcase your products. Available to purchase in quantities from as little as 100 bags. Custom made sizes are available on request with minimum order quantities from as low as only 5,000 bags.

We also custom make labels to apply to the clear bags – quantities as required. Or we can provide custom printed bags to suit your requirements on a minimum of 10,000 bags.

Our clear, laminated Polypropylene Bags are perfect for packaging almost anything: **confectionery, baked products, dried fruit, spices, cereals, biscuits or chocolates, bath salts, beads and more.** These flat clear and gussetted clear stock bags are laminated, and are 60 micron in thickness and heat-sealable, with excellent seal properties.

Our clear Re-Sealable Polypropylene Bags are also perfect for packaging almost anything: **stationery, greeting cards, art prints, product sample packs, clothing, manchester and more.** These re-sealable stock bags are 40 micron in thickness.
